CALL FOR ABSTRACTS

BELAB – NOVAFRICA 2023 Conference

Bissau, Guinea-Bissau

March 29-31, 2023

About the Conference

BELAB and NOVAFRICA, with the support of PEP, are organizing the first joint Conference in Guinea-Bissau to favor the visibility of research being conducted in the country. This Conference is an opportunity for all researchers conducting empirical research in the country to share their ongoing work and receive critical feedback. The Conference will take place in Bissau and include events to facilitate networking among participants.

BELAB is an independent research institute based in Guinea-Bissau. BELAB is specialized in experimental economic interventions with the joint objective of guiding policymaking and producing high-quality scientific contributions.

NOVAFRICA is a knowledge center created by the Nova School of Business and Economics of the Universidade Nova de Lisboa in 2011. Its mission is to produce expertise that promotes business and economic development in Africa, in line with the Sustainable Development Goals (SDGs) defined by the United Nations. A particular focus is on Portuguese-speaking African countries, i.e., Angola, Cape Verde, Guinea-Bissau, Mozambique, and Sao Tome and Principe.
